### **Pyrocrete 241 HD Approved Primer List**

The following Carboline primers have been tested in accordance with ASTM E-736 and found to be acceptable as primers for Pyrocrete 241 HD. Carboline Company makes no claim regarding repeatability of these tests as may be influenced by, cure time, primer recoat characteristics, site conditions or other factors beyond our control. Consult the Product Data Sheet for application and recoat instructions. Use of primers other than listed is not recommended without prior consultation and approval by the Carboline Fireproofing Technical Service Group.
