

# Carboseal® 816

**A high-gloss, low odor polyurethane finish coat designed for resinous flooring systems.**

**PRODUCT DETAILS** Carboseal 816 provides excellent long term protection as the topcoat of a designed Carboseal or Carbocrete flooring system. The low odor formulation makes Carboseal 816 an excellent choice when other trades or workers are present on the job site or for industries where low odor is beneficial, like the food and beverage or the pharmaceutical industries. The attractive high-gloss finish is impact, wear, and abrasion-resistant. Carboseal 816 protects against a wide array of chemicals, making it an all-around exceptional coating.
